

July 6, 2010

Dear Village Resident:

The Village's asphalt paving contractor for the 2010 Street Rehabilitation Program is Payne & Dolan, Inc., Waukesha, WI.

Payne & Dolan has indicated that they will begin work on the project the week of July 19, 2010, weather permitting. An exact date has not yet been set.

The following streets will be repaved this year as part of the 2010 Street Rehabilitation Program:

N. 46th Street from W. Dean Rd. to W. Churchill Ln.
N. 47th Street from W. Churchill Ln. to W. Willow Rd.
N. 48th Street from W. Dean Rd. to W. Churchill Ln.
N. 62nd Street from W. Tower Ave. to W. Goodrich Ln.
N. Cedarburg Rd. from W. Bradley Rd. to N. Green Bay Rd. (Installation of surface asphalt only)
W. Churchill Lane from N. 46th St. to N. 48th St.
W. Goodrich Lane from N. 64th St. to N. 67th St.
W. Kirchhoff Ave. from N. Cedarburg Rd. to N. Green Bay Rd.

There will be some inconvenience during construction, as there will be temporary interruptions to driveway access and speeds will be greatly reduced prior to the asphalt being installed. However, the contractor is required to keep the road open to traffic at all times throughout construction.
