RE: **Village Board Seeks Candidates for Standing Committees**

If you have an interest in serving on a standing committee, the Village Board wants to hear from you. The mission of the Brown Deer Village Board is to understand and responsibly fulfill the community vision. As elected representatives of the community, the Village Board is dedicated to working as a team to achieve this mission which is accomplished through the use of standing committees.

Interested persons are invited to submit a Questionnaire Form to the Village Manager's Office. A description of each committee and the Questionnaire Form can be found at the Village's website: [www.browndeerwi.org](http://www.browndeerwi.org).

The Village of Brown Deer operates under a manager-form of government with a six-member Board of Trustees elected to serve as the legislative branch of village government, enacting ordinances and resolutions, approving the annual budget and setting policies. The Village President is also considered a trustee with a vote on all matters that come before the board. The Village President presides at Village Board meetings, signs legal documents and has a leadership role. The Village President has no veto power. A Village Manager is appointed by the Board. The manager is the chief administrative officer who is the head of the administrative branch of the Village and is responsible to the Board for the proper administration of the Village.
